Wholesale Liquidation in Progress in Wall Street Almost Without Resistance.

REARS RUSH TO THE ATTACK RALLY AT THE CLOSE NOT WELL HELD.

New York, March 4.-Prices broke with violence in the later dealings in the stock market today, and the market gave every appearance of wholesale liquidation being in force. The early action of the market gave an impression of bear attack. There gave an impression of bear attack. There was a moment of strength in a few issues at the opening and there were points of resistance in the early decline, but the downward movement and the decline galned impetus as the fullity of efforts at support was sectived and stop-loss orders were uncovered upon the decline. The supposition gained ground also that there was some large isquidation of what are called investment holdings going on. These reports caused a gloomy feeling over the whole industrial and business outlook. They were accompanied by some rumors calculated to deepen the gloomy feeling. But which were without confirmation. Per instance, it was affirmed that efforts were being made to secure the cancellation of some of the orders on the beoks of the United States steel corporation for future delivery, owing to disinciliation of the contractors to accept the deliveries. It was asserted that the Pennsylvania railroad was seeking to abloate some of its orders for freight cars, prompted by a revised view of the outleek for traffic. These reports were without confirmation upon inquiry in official quarters.

The earliest show of pronounced weakness was in the Hill stocks, with the Harriman stocks in company. Elgin Butter.

Following is the daily market comment of Paine. Webber & Co., Boston, together with the range of prices of copper stocks and other Boston listings in which the west is interested, as well as a similar report on New York curb transactions, a feature that has just been added by James A. Pollock & Co., to its private wire service, and from which it is secured for use in this department of The Herald.

Boston, March 4.—During the early part of the session the market was very dull, but prices held firm. Toward afternoon, heavy liquidation came m and this, together with stop orders, caused a sharp break with no sign of a raily at the close. We feel sure that the copper stocks are cheap around these prices, but advise buying only for cash, as the money market is very tight and interest rates will be high for a long time to come. We think good money can be made by selling all railroad and investment stocks and buying the good dividend paying coppers.

Boston Copper Market. Elgin, Ill., March 4.—On the board of trade today butter was quoted at 32c, ic decline from last week. Total output for the week, 442,200 pounds.

GIVEN UP TO DIE.

B. Spiegel, 1204 N. Virginia street, Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good, and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cared." Why not let it help you? F. J. ## Nothing Too Good

American People

There is NOTHING TOO GOOD for the American people-that's why we started to make Cascarets Candy Cathartic. The first box made its appearance in 1896, and the enthusiastic endorsement of the people has been bestowed upon Cascarets ever since.

The sale today is at the rate of OVER A MILLION BOXES A MONTH, proving that the American people recognize, that what is BEST FOR THEM is none too good.

Why this enormous patronage? The answer is simple: Cascarets are pure, clean, sweet, mild, fragrant, harmless but effective little tablets for the treatment and cure of Constipation and all Bowel Troubles. They are put up in neat little enamel boxes, easy to buy, easy to carry (in vest-pocket or purse), easy to take and easy of action, always reliable, always the same, they "work while you sleep"

and wake you up feeling fine in the morning. They not only regulate the movement and stimulate the muscular walls of the bowels, but they keep the ENTIRE CANAL CLEAN and antiseptic, forcing out and destroying all disease germs that breed in the accumulated filth unless promptly and regularly discharged. Therefore, they are a great preventive of disease, and may be taken continuously as a precautionary measure.

The new Pure Drugs Act, adopted by Congress on June 30, 1906, and in effect January 1, 1907, is a GOOD LAW and means better and PURER drugs for the American People. We endorse it and will live up to it in SPIRIT and LETTER,—an esbayase are required in our formula or pack by the same principles and no changes are required in our formula or pack-

At a stockholders' meeting of the Eureka-Swansea Extension Mining company, held yesterday. Jesse Knight, who lately obtained control of the company, was elected president, Richard B. Shepard vice president, and W. Lester Mangum secretary and treasurer, who with Jacob Evans and Will Knight compose the board of directors. A resolution was adopted moving the principal place of business to Provo. Utah.

It is the intention of the control to prosecute active development work in the near future. We adopted OUR OWN PURE DRUG LAW in 1896 when the first box of Cascarets came on the market and have lived and worked and pro-

duced under it ever since.

To-day, after a record of nearly 100,000,000 boxes sold, Cascarets STAND the greater in PURITY, QUALITY and MEDICINAL MERIT than any other preparation for Bowel trouble in all the world.

This should be a great argument for any one, to try Cascarets AT ONCE, and be healthier and happier for it. Some people have CHRONIC CONSTIPATION with all the horrors derived from it; others have HAB-ITUAL CONSTIPATION from carelessness and neglect, but nearly EVERYBODY has OCCASIONAL CONSTIPATION, which, if not promptly taken care of is liable to result in its degeneration into the worse forms and cause great suffering and perhaps death.

Cascarets, if taken patiently and regularly, will remedy all of these awful troubles, but if taken promptly at the very first sign of an irregularity of the Bowels, will act as the FINEST PREVENTIVE ever discovered and will keep all the machinery running in good order.

We advise you to get a little 10c box of Cascarets TO-DAY and carry it in your purse or vest pocket. Take one when you feel anything unusual about your bowels. Your own druggist will sell you the little box, under GUARANTY of satisfaction or money refunded. All druggists, 10c, 25c, 50c.
